On behalf of the HSCC we hope you all enjoyed yourselves. The feed back suggested you like the "mentor" system and moving round in groups. I understand the banter was of a high order. A report on the trial will be issued shortly. Congratulations to the "first timers" - we hope to see you at future trials.

There was a tie for Best Post Historic so Frank won with 15 cleared hills to Neville's 14 - now close is that?

Charlie Wooding will have his photographs on the website soon. He tells me there are a few "crackers" - please support him.

Please tell anyone who will listen about historic sporting trials and lets try and find more old trials cars.

Next trial is on the 8th November in the Cotswolds
