On behalf of HSCC we hope you had an enjoyable days motor sport. At 30 degrees and with the humidity it was really not trials weather but it did wonders for the sun tan and socialising.

For the newcomers, we hope you had fun and will join us a the next trial on the 7th November in the Cotswolds - it is unlikely sun cream will be required.

Pictures will soon be on Charlie Wooding's website - please support him. the Also please spread the word about historic sporting trials and find more old trials cars.
