Our thanks go to Mike Bletsoe-Brown for the use of the land																											
The half inch of rain which fell on the Saturday night before the event lead to a very difficult trial as the number of retirements, high scores and cancellation of the final lap show.																											
<u>Charlie Wooding will have his photographs on the website soon - please support him.</u>											Also please tell everyone about historic sporting trials - we still need old trials cars to meet the demand.																
HSTA is in Hall 3 on Stand M3 at Race Retro - please come and see us.																											
<b>Next trial is the Southsea MC Ron Faulkner Historic Sporting Trial near Petersfield, Hampshire on SATURDAY 2nd April 2016</b>
